In the Matter of the "Municipal Act," and in the Matter of a Petition to the Corporation of the Township of Richmond for Dyking of that Part of the Municipality of the Township of Richmond called "Sea Island."

A By-law to provide for the Dyking of the Land hereinafter described in the Municipality of the Township of Richmond, and for borrowing on the credit of the Municipality the Sum of \$40,000 for completing the same. Provisionally adopted the twenty-first day of May, 1914.

WHEREAS a majority in number and value of the owners, as shown by the last revised assessment roll, of the property hereinafter set forth to be benefited by the dyking have petitioned the Council of the said Municipality of the Township of Richmond, praying that the said municipality do take steps under the provisions of section 134 of the "Municipal Act," chapter 170, R.S.B.C. 1911, and the amendments thereof, for dyking the area of land being portion of Sea Island comprised in the following described boundaries:—

Description of land to be benefited by the proposed dyke under section 112, "Municipal Act, 1914," as follows: Commencing at the north-west corner of Section 10, Block 5 North, Range 7 West, on the south bank of the North Arm of the Fraser River; thence following the line of the existing dyke through Section 9 and part of Section 16 to the westerly boundary of Section 16; thence south along the west boundaries of Sections 16, 21, and part of Section 28 to a point nineteen hundred (1,900) feet from the north-west corner of Section 28; thence east to where it strikes the existing dyke; thence along the line of the existing dyke through Sections 28, 27, 34, 35, 36, 31, 30, 29, 20, 17, 18, 7, 12, 11, and 10 to the point of commencement:

And whereas thereupon the said Council procured an examination to be made by Donald Cameron, being a person competent for such purpose, of the said locality proposed to be dyked, and has also procured plans and estimates of the work to be made by the said Donald Cameron, and an assessment to be made by him by such dyking, of the land and roads to be benefited, stating as nearly as he can the proportion of benefit which in his opinion will be derived in consequence of such dyking by every lot, or portion of lot, the said assessment so made being the assessment hereinafter by this by-law enacted to be assessed and levied upon the lots and parts of lots hereinafter in that behalf specially set forth and described, and the report of the said Donald Cameron in respect thereof and of the said dyking being as follows:—

"I hereby certify that I have made a careful examination of the area hereinafter described, and find that every portion of it is equally benefited by the proposed dyking.

"The work to be done consists in providing new and additional flood-boxes, in raising the height of the dyke throughout, piling and otherwise protecting the eroded parts of the river-bank and the whole outer face of the dyke, all as shown on the plans prepared for the work.

"I have prepared an estimate of the cost of the work which is annexed hereto, and an assessment of the annual charges to be made on the area included in the scheme":

And whereas the said Council is of opinion that the dyking of the locality described is desirable:

Be it therefore enacted by the said Municipal Council of the said Municipality of the Township of Richmond, pursuant to the provisions of the "Municipal Act":—

3rd. That for the purpose of paying the said sum of forty thousand dollars, (\$40,000), being the amount charged against the said lands so to be benefited as aforesaid, other than lands belonging to the municipality, and the interest thereon for forty (40) years at the rate of five per centum (5%) per annum, the following special rates, over and above all other rates, shall be assessed and levied upon the undermentioned lots and parts of lots, and the amount of the said special rates and interest assessed as aforesaid against each lot or part of lot respectively shall be divided into forty (40) equal parts, and one such part shall be assessed and levied as aforesaid in each year for forty (40) years after the final passing of this by-law during which the said debentures have to run.

DOMINION ORDERS IN COUNCIL.

[1362.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 28th day of May, 1914.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS paragraph (c) of section 6 of the Special Fishery Regulations for the Province of British Columbia, adopted by Order in Council of the 12th of March, 1910, reads as follows:—

"The export of fresh herring from the Province of British Columbia is prohibited, or of herrings that have been preserved in salt for a period of less than nine days, or of herring of any kind intended for curing, canning, or otherwise preserving, or converting into guano, fish fertilizer, or oil outside or beyond the boundaries of Canada: Provided always that fresh herring, taken in gill-nets in the waters of British Columbia, may be exported in a fresh, unsalted condition for immediate consumption; but the onus of proof that such fish, so exported, were taken with gill-nets, shall rest on the possessor or possessors of such fish."

And whereas the object of this regulation was to prevent herring being exported to be converted into fish scrap and oil;

And whereas recently a demand has arisen in the United States for fresh herring frozen in ice and otherwise prepared for shipment in small packages, and in no instance exceeding two hundred pounds in weight;

And whereas owing to the price paid for fish so exported it is not feasible to use them otherwise than for food;

And whereas the responsible officers of the Department of Marine and Fisheries, and the Pacific Division of the Fisheries Advisory Board have recommended that the regulation be so amended as to enable this demand to be supplied from British Columbia and the Minister of Marine and Fisheries concurs in this recommendation,—

Therefore, the Governor-General in Council, under the provisions of section 54 of the "Fisheries Act," chapter 45 of the Revised Statutes, is pleased to order and it is hereby ordered that the following words be added to the above cited regulation, viz.:—

"Provided further that fresh herring packed in boxes containing not more than two hundred pounds, may be exported."

And whereas Saanich Arm and Cowichan Bay are favourite resorts for sport fishing, but notwithstanding that net fishing is not allowed in these waters, the fishing there is becoming depleted owing to fishing for commercial purposes by trolling;

And whereas the commercial fisheries are of little

account, and it is desirable to reserve these areas for sport fishing purposes,—

Therefore, the Governor-General in Council, under the above cited authority, is further pleased to order that section 16 of the Special Fishery Regulations for British Columbia shall and the same is hereby amended by adding thereto the following subsection:—

"14. No one shall fish with nets or with any implements for commercial purposes in Saanich Arm, inside of a straight line drawn from Hatch Point to James Point, nor in Cowichan Bay, inside of a line drawn from Cowichan Head to Serpentine Point."

And whereas subsection 7 of section 19 of the British Columbia Regulations provides that no one shall fish for Sockeye salmon in the portion of British Columbia north of the 51st parallel of north latitude, from the 1st of October in each year to the 19th day of June following, while south of that line the close season extends to the 30th of June;

And whereas experience gained in recent years shows that Sockeye salmon can be caught much farther south than the 51st parallel of north latitude by the 20th of June;

And whereas there is no good reason why these salmon should not be caught as early in the season as they arrive, as they are then in good condition;

And whereas the Pacific Division of the Fisheries Advisory Board, as well as the responsible officers of the Department of Marine and Fisheries have recommended that the above cited regulation be amended so as to allow Sockeye fishing to begin on the 20th of June, north of 48.30 north latitude on the west side of Vancouver Island, and north of 49.30 north latitude in the Strait of Georgia, and waters north thereof, and the Minister concurs in this recommendation,—

Therefore, the Governor-General in Council, under the provisions of section 54 of the "Fisheries Act," is further pleased to order that subsection 7 of section 19 of the British Columbia Regulations, adopted by Order in Council of the 12th of March, 1910, shall be and the same is hereby rescinded and the following substituted in lieu thereof:—

"7. No one shall take Sockeye salmon from the 1st October in each year to the 30th June following, both days inclusive, except in that portion of British Columbia north of 48.30 parallel of north latitude on the west coast of Vancouver Island and north of 49.30 parallel of north latitude in the Strait of Georgia and in the waters north thereof, where the close season for Sockeye salmon shall be from the 1st October in each year to the 19th June following, both days inclusive, and during such close times no salmon gill-nets or drift-nets having meshes of less than 7 inches extension measure, shall be used; but no salmon nets of any kind shall be used in that portion of the Fraser River inside the outside edges of the Sandheads from Point Grey to the 49th parallel of north latitude, from the 25th August to the 15th September in each year, both days inclusive."

And whereas paragraph (a) of subsection 1 of section 11 of the Special Fishery Regulations for British Columbia reads as follows:—

"(a.) No licence shall be granted to any person, company, or firm, unless such person is a British subject, resident in the Province of British Columbia, or to such company or firm, unless it is a Canadian company or firm, or is licensed to do business in British Columbia."

And whereas it has been represented to the Minister of Marine and Fisheries, that there are *bona-fide* settlers in and coming to the Province of British Columbia who desire to engage in fishing, but who, under the above regulation, are prevented from doing so until they become naturalized;

And whereas it is desirable and reasonable that such settlers should be permitted to engage in fishing, as soon as it is satisfactorily established that they are *bona-fide* settlers,—

Therefore, the Governor-General in Council, under the aforementioned authority, is further pleased to order that paragraph (a) of subsection 1 of section 11 of the Special Fishery Regulations for British Columbia, established by Order in Council of the 12th March, 1910, shall be and the same is hereby rescinded, and the following substituted in lieu thereof:—

"(a.) No licence shall be granted any person, company, or firm, unless such person is a British subject, resident in the Province of British Columbia, or is a *bona-fide* settler who has pre-empted or purchased land, or to such company or firm, unless it is a Canadian company or firm, or is licensed to do business in British Columbia."

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 21st day of May, 1914.

PRESENT:

HIS ROYAL HIGHNESS THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the grazing land in the Dominion Parks is necessarily very limited, and it is desired that the practice of granting definite areas to private parties be discontinued, and that instead the Superintendent be allowed to decide what land is suitable for this purpose, and all owners of stock be allowed the same privilege on the same conditions,—

Therefore, the Governor-General in Council is pleased to order that Sections 23, 24, and 25 with respect to pasturage, of the Order in Council of 21st June, 1909, P.C. 1340, establishing regulations for the control and management of the National Parks of Canada, under the authority of Section 18 of chapter 10, 1-2 George V., the "Dominion Forest Reserves and Parks Act," shall be and the same are hereby rescinded.

The Governor-General in Council, under the authority of Section 18 of the "Dominion Forest Reserves and Parks Act" as amended by chapter 18, 3-4 George V., is further pleased to approve the following regulations governing grazing privileges in the Dominion Parks.

REGULATIONS REGARDING GRAZING PERMITS IN THE NATIONAL PARKS.

1. No live-stock shall be permitted to run at large within the Parks unless a permit has been secured from the Superintendent.

2. Pigs, sheep, or goats shall not be brought into or kept within the Parks without the written permission of the Superintendent, and such permission shall be subject to all Dominion Parks Regulations.

3. Permits for the grazing of cattle or horses within Dominion Parks may be granted by the Superintendent of any Park upon such areas and for such periods each year as may be designated by him, subject to the following conditions:—

4. Application shall be made in writing to the Superintendent, and shall contain a sufficient description for identification of the stock, including marks and brands when there are such.

5. Permits will be granted only for the exclusive use and benefit of the owners of stock and will not be transferable.

6. Licensed butchers may bring into the parks and keep there, for a period not exceeding thirty days, animals to be slaughtered for food purposes, upon the written permission of the Superintendent, such permission being subject to all Dominion Parks Regulations.

7. Any person holding a permit to graze cattle on any portion of the parks, must (confine) them to the area specified and comply with all the conditions of his permit and these regulations.

8. Should it be found that injury is being done by the stock to the timber and young trees or to any source of water supply, or if there is any other sufficient reason in the opinion of the Superintendent of the Park to justify removal of same, such stock must be removed upon the written instructions of the Superintendent to such other areas as he considers advisable.

9. Violation of any of these regulations will render permits liable to cancellation, by written notice of the Superintendent of the Park.

10. Any stock found in the Park without a permit shall be liable to be impounded by the Superintendent or any officer acting under his instructions, and in addition the owners shall be liable to the penalties provided for infringement of Parks Regulations.

11. Any animals so impounded, not claimed within thirty days after notice of the impounding has been given in writing or by public advertisement, may be sold by public auction, of which notice shall be given in the public press.

12. The proceeds of such sale, after paying the cost of impounding, maintenance, advertising, and sale, shall, on demand, be paid by the Superintendent to the owner of the stock.

13. The Superintendent may authorize any person to act as poundkeeper, the rates of remuneration to be as follows:—

50 cents per day for one horse.

25 " " " each additional horse.

30 " " " one head of cattle.

15 " " " each additional head.

20 " " " one pig, sheep, or goat.

10 " " " each additional head.

14. No permit shall be granted for any animal which may be a danger or menace to the public. The owner will be responsible for any damage done by an animal, and must, upon the instructions of any officer of the Department of the Interior, have any animal which is considered unsafe to the public removed and confined in some place of safety.

15. The dues for a grazing permit shall be one dollar per head for grazing season or any portion thereof. Only stock six months old or over will be counted in the determination of the dues for permit. All permits shall expire on the 30th day of April in each year.

16. The number of stock which may be grazed by each applicant, and the period during which grazing will be permitted will be determined each year by the Superintendent.

17. *Bona-fide* residents of the vicinity will be given the preference in the granting of permits.

18. At the expiration, or upon the cancellation of a permit, the owner shall be allowed seven days within which to remove his stock, after which they shall be liable to be impounded by the Superintendent or any officer acting under his instructions.

19. The carcass of any animal dying within the parks, other than those slaughtered for food purposes, must be removed by the owner, immediately, and buried. If death results from an infectious disease, the carcass shall be burned.

Clerk of the Privy Council.
